Dear: ITW Formex Customer

This document is provided to confirm that all ITW Formex materials;

- **Formex Nat & Black**
- **Formex GK Nat and Black**
- **Statex**

do not contain Asbestos in the formulation and Asbestos is not used in the manufacturing processes that produce these materials.

We appreciate your inquiry and invite you to contact us directly if you have additional questions.

Thanks for considering Formex products for your applications.

Best Regards

A handwritten signature in cursive script, appearing to read "Tom Carlson", written in black ink.
